The deadline for submitting nominations and supporting documentation is Friday, November 12, 2010 at 5 P.M Eastern Time to: innovation@collisionweek.com

Judging

CollisionWeek will present the most promising entries to a panel of collision repair facility judges who will gauge the merits of each nomination on its own benefits to the industry. The panel of judges will select winners in individual categories. The judges will then choose from the list of category winners to select overall winners for 2010.

Awards

The winning entries will be featured in CollisionWeek during January 2011.
